2 Pursuant to Local Rule 123(a), Plaintiff County of Amador hereby gives notice that the
3 above-captioned case is related to the case of *California Sportfishing Protection Alliance v.*
4 *Allison*, Case No. 2:20-cv-02482-WBS-AC (filed Dec. 15, 2020). Plaintiffs in both actions seek
5 declaratory and injunctive relief from the Secretary of the California Department of Corrections
6 and Rehabilitations under the federal Water Pollution Control Act, also known as the Clean Water
7 Act, 33 U.S.C. § 1251 *et seq.* See L.R. 123(b)(3). Both actions involve similar questions of fact
